Justin Bieber, Turn To You

You worked two jobs
To keep a roof above our heads
You chose a life for me
No you never gave up
I admire you for the strength
You've instilled in me
You were so young
You were just my age when you had me mom
You were so brave
There was nothing that would stop or get in our way
And I know you will always be there for me

So when you're lost and you're tired When you're broken in two Let my love take you higher Cause I i still turn to you I still turn to you I still turn to you

It was '94 the year that everything started to change From before You had to be a woman You were forced to change your ways To change your ways

Then you found the lord You gave your life to him And you could not ignore The love he had for you And I wanted more of your heart

So when you're lost and you're tired When you're broken in two
Let my love take you higher
Cause I i still turn to you
I still turn to you
I still turn to you

I don't know what i'd do if you left me So please don't go away Everything that you are is who I am Who I am today So when you're lost and you're tired When you're broken in two Let my love take you higher Cause I i still turn to you I still turn to you I still turn to you

To you to you to you I still turn to you To you to you to you Cause I i turn to you...
