

Justin Bieber, Uh oh

Oh oh oh

You got me like oh oh oh oh oh oh
Baby oh oh oh oh oh oh
I really wasn't trying to fall in love
Said I really wasn't trying to fall in love
Got me like oh oh oh oh oh oh
Baby oh oh oh oh oh oh
I really wasn't trying to fall in love
I swear I really wasn't trying to fall in love

Girl when we met you said we wasn't gone rush
Just peed to and see where it takes us
And then there was your smile
And everyday get closer and closer
In my arm with your head on my shoulder
Never wanna come down Ohh
Cause girl I don't know when these feelings that I have for you
Knock me off my balance can't explain all I know is
One minute I'm walking and then next thing I know I'm falling

You got me like oh oh oh oh oh oh
Baby oh oh oh oh oh oh
I really wasn't trying to fall in love
Said I really wasn't trying to fall in love
Got me like oh oh oh oh oh oh
Baby oh oh oh oh oh oh
I really wasn't trying to fall in love
I swear I really wasn't trying to fall in love

Holding hands and feel so connected
And every kiss get feel so electred
I never stood a chance
You're an angel sent free from heaven
And through the phone I can feel your affection
I hope this never ends
Cause girl I don't know when these feelings that I have for you
Knock me off my balance can't explain all I know is
One minute I'm walking and then next thing I know I'm falling

You got me like oh oh oh oh oh oh
Baby oh oh oh oh oh oh
I really wasn't trying to fall in love
Said I really wasn't trying to fall in love
Got me like oh oh oh oh oh oh
Baby oh oh oh oh oh oh
I really wasn't trying to fall in love
I swear I really wasn't trying to fall in love
