

Justin Bieber, Unstable (ft. The Kid LAROI)

Sometimes i think
I overthink
And i start to feel anxiety
There were Times i couldn't even breathe
But you never once abandoned me
No you never!

I tried to scare tou
Scare you away
Showed you the door
You adore me anyway
When i was broken in pieces
You were my peace of mind
You were my peace od mind

You loved /3x
Me when i was unstable
Never judge /3x
Me when i was unable to love myslef
To trust mydself
You loved /3x
Me when i was unstable
