

Justin Bieber, What Do You Mean

What do you mean?
When you nod your head yes
But you wanna say no
What do you mean?
When you don't want me to move
But you tell me to go
What do you mean?
Said we're running out of time, what are you mean?
Better make up your mind
What do you mean?

You're so indecisive of what I'm saying
Don't want us to end, where do I start?
First you wanna go left and you want to turn right
First you wanna go left and you want to turn right
First you up and you're down and then between
First you up and you're down and then between
I really want to know...

What do you mean?
When you nod your head yes
But you wanna say no
What do you mean?
When you don't want me to move
But you tell me to go
What do you mean?
Said we're running out of time, what are you mean?
Better make up your mind
What do you mean?

You're overprotective when I'm leaving
Trying to compromise but I can't win
You wanna make a point but you keep preaching
You had me from the start, won't let this end
First you wanna go left and you want to turn right
Wanna argue all day, make love all night
First you up and you're down and then between
I really want to know...

What do you mean?
When you nod your head yes
But you wanna say no
What do you mean?
When you don't want me to move
But you tell me to go
What do you mean?
Said we're running out of time, what are you mean?
Better make up your mind
What do you mean?
