

Justin Bieber, What's Hatnin' (ft. Future)

We took off in that [?]
Like, what's hatnin'?
What's hatnin'?
What's hatnin'?
Baby girl, what's hatnin'?
Don't talk about it, just be about it
Whatever happens, you'll have me
What's hatnin'?
What's hatnin'?
Baby girl, what's hatnin'?
