(J.T.) I turn my head to the east I don't see nobody by my side I turn my head to the west Still nobody in sight So I turn my head to the north, Swallow that pill That they call pride The old me is dead and gone, The new me will be alright I turn my head to the east I don't see nobody by my side I turn my head to the west Still nobody in sight So I turn my head to the north, Swallow that pill That they call pride The old me is dead and gone, The new me will be alright

(Chorus)
