

# Justin Timberlake, Am I Worthy Of

Yeah, yeah, yeah

Oh

Yeah, yeah

Girl I find you so amazing

With everyday I learn more about you

The way you work day out and day in

And still find time for us too

I love the fact that you're there for me when I feel down

No matter what I'm going through

Lately I've been questioning myself

Am I good enough for you

Am I worthy of

Am I man enough

Am I strong enough

To maintain this love

You got me questioning

Got me wondering

Could I be that man

That can keep you happy

I know that there'll be times when I'll be miles away

And you'll be all alone

I constantly fight my insecurities

When I can't reach you by phone

And oh lord knows that I'm only human

So please forgive me if I ask so many silly questions

I know that you truly love me,

But, fear has me second guessing

Am I worthy of

Am I man enough

Am I strong enough

To maintain this love

You got me questioning

Got me wondering

Could I be that man

That can keep you happy

Girl, excuse my ways (excuse my ways)

I'm not trying to push your love away (ooo.. love.. love away)

It's just that sometimes

My imagination gets the best of me, yeah

I still love you baby

Everyday

Am I worthy of

Am I man enough

Am I strong enough

To maintain this love (to maintain this love)

You got me questioning

Got me wondering (you got me thinkin' bout myself)

Could I be that man (Am I good enough for you)

That can keep you happy (yeah, yeah, yeah, yeah, yeah, yeah...)

Am I worthy of

Am I man enough

Am I strong enough

To maintain this love

You got me questioning

Got me wondering

Could I be that man

That can keep you happy

Yeah...

Yeah, yeah, yeah wanna keep you happy...
