

# Justin Timberlake, FutureSex/LoveSound

You know what you want  
And that makes you just like me  
See everybody says you're hot, baby  
But can you make it hot for me  
Said if you're thinking 'bout holding back  
Don't worry, girl  
'Cause I'm gonna make it so easy  
So slide a little bit closer to me, little girl  
See, Daddy's on a mission to please

Wait a second  
She's hopped up on me  
I've got her in my zone  
Her body's pressed up on me  
I think she's ready to blow  
Must be my future sex love sound  
And when it goes down  
Baby all you gotta do is

Just tell me which way you like that  
All you gotta do is  
Tell me which way you like that  
Do you like it like this  
Do you like it like that  
Tell me which way you like that  
Tell me which way you like that

You can't stop, baby  
You can't stop once you've turned me on  
And your enemy are your thoughts, baby  
So just let em go  
'Cause all I need is a moment alone  
To give you my tone  
And put you out of control  
And after you let it in  
We'll be skin to skin  
It's just so natural

Wait a second  
She's hopped up on me  
I've got her in my zone  
Her body's pressed up on me  
I think she's ready to blow  
Must be my future sex love sound  
And when it goes down  
Baby all you gotta do is

Just tell me which way you like that  
All you gotta do is  
Tell me which way you like that  
Do you like it like this  
Do you like it like that  
Tell me which way you like that  
Tell me which way you like that.
