

# Justin Timberlake, LoveStoned (Justice remix)

She's freaky and she knows it  
She's freaky and I like it

Listen

She grabs the yellow bottle  
She likes the way it hits her lips  
She gets to the bottom  
It sends her on a trip so right  
She might be goin' home with me tonight

She looks like a model  
Except she got a little more ass  
Don't even bother  
Unless you've got that thing she likes  
I hope she's goin' home with me tonight

Those flashing lights come from everywhere  
The way they hit 'em I have to stop and stare  
She's got me love stoned  
Man I swear she's that and she knows  
I think that she knows

She's freaky and she knows it  
She's freaky, but I like it

She shuts the room down  
The way she walks and causes a fuss  
The baddest in town  
She's flawless like some uncut ice  
I hope she's goin' home with me tonight

And all she wants is to dance  
That's why you'll find her on the floor  
But you don't have a chance  
Unless you move the way that she likes  
That's why she's goin' home with me tonight

Those flashing lights come from everywhere  
The way they hit 'em I have to stop and stare  
She's got me love stoned  
Man I swear she's that and she knows  
I think that she knows

Those flashing lights seem to cause a glare  
The way they hit 'em I have to stop and stare  
She's got me love stoned from everywhere  
She's that and she knows  
I think that she knows

Now dance  
Little girl  
You're freaky, but I like it  
Hot damn!  
Let me put my funk on this one time

(Instrumental break)

Those flashing lights come from everywhere  
The way they hit 'em I have to stop and stare  
She's got me love stoned  
Man I swear she's that and she knows  
I think that she knows

Those flashing lights seem to cause a glare  
The way they hit 'em I have to stop and stare  
She's got me love stoned from everywhere  
She's that and she knows  
I think that she knows

Those flashing lights come from everywhere  
The way they hit 'em I have to stop and stare  
She's got me love stoned  
Man I swear she's that and she knows  
I think that she knows

(Instrumental break)

Those flashing lights come from everywhere  
The way they hit 'em I just stop and stare  
She's got me love stoned  
I think I'm love stoned  
She's got me love stoned

I think that she knows, think that she knows, oh, oh (repeat 2 more times)

Those flashing lights come from everywhere  
The way they hit 'em I just stop and stare  
I'm love stoned from everywhere and she knows  
I think that she knows  
Think that she knows, oh, oh

And now I walk around without a care  
She's got me hooked  
It just ain't fair, but I...  
I'm love stoned and I could swear  
That she knows  
Think that she knows, oh, oh  
She knows, she knows, oh, oh.
