

Justin Timberlake, Man of the Woods

I brag about you to anyone outside
but I'm a man of the woods, it's my pride
I'm sorry baby, you know I try
but I'm a man of the woods, it's my pride

hey, sugar plum
look at where we are
so tonight
if I take it too far
that's ok. because you know
I hear the making up's fun
been a minute since we've had some time to breathe
so if you see another side of me that's ok. because you know
I hear the making up's fun

but then your hands talking
fingers walking
down your legs
hey there's a faucet
someone's knocking like they know
but baby,. don't you stop it
yes. I'm watching
your hand slides down the light
and girl you know

I brag about you to anyone outside
but I'm a man of the woods, it's my pride
I'm sorry baby, you know I try
but I'm a man of the woods, it's my pride

well, I got your sweet with a twist of time
and this one's neat
well you know that's mine
here we go
and do it twice
cause you know we like it
and damn anybody if they disagree
they don't understand you're just like me
they don't know
we and do it twice
cause you know we like it

but then your hands talking
fingers walking
down your legs
hey there's a faucet
someone's knocking like they know
but baby,. don't you stop it
yes. I'm watching
your hand slides down the light
and girl you know

I brag about you to anyone outside
but I'm a man of the woods, it's my pride
I'm sorry baby, you know I try
but I'm a man of the woods, it's my pride

how do I ever explain what I've got with you
I try to find the words but they hide and that's the truth
and nobody ever will understand what we do
there's only one me and you
came here, hold me
cause there's only one me and you
there's only one me and you

you know there's only one me and you

I brag about you to anyone outside
but I'm a man of the woods, it's my pride
I'm sorry baby, you know I try
but I'm a man of the woods, it's my pride

I wrote this to let you know
and I let them feeling show
I'm a man of the woods, it's my pride
I can make them understand
but you know I'm a Southern man
a man of the woods, it's my pride
of the woods, it's my pride
Now let the beat ride like...
