Justin Timberlake, My Love

(feat. T.I.)

Ain't another woman that can take your spot my-

If I wrote you a symphony,

Just to say how much you mean to me (what would you do?)

If I told you you were beautiful

Would you date me on the regular (tell me, would you?)

Well, baby I've been around the world

But I ain't seen myself another girl (like you)

This ring here represents my heart

But there's just one thing I need from you (say "I do")

[Chorus:]

Yeah, because

I can see us holding hands

Walking on the beach, our toes in the sand

I can see us on the countryside

Sitting on the grass, laying side by side

You could be my baby, let me make you my lady

Girl, you amaze me

Ain't gotta do nothing crazy

See, all I want you to do is be my love

(So don't give away) My love

(So don't give away) My love

(So don't give away) Ain't another woman that can take your spot, my love

(So don't give away) My love

(So don't give away) My love

(So don't give away) Ain't another woman that can take your spot, my love

Ooooh, girl

My love

My love

Now, if I wrote you a love note

And made you smile with every word I wrote (what would you do?)

Would that make you want to change your scene

And wanna be the one on my team (tell me, would you?)

See, what's the point of waiting anymore?

Cause girl I've never been more sure (that baby, it's you)

This ring here represents my heart

And everything that you've been waiting for (just say "I do")

[Chorus:]

Yeah, because

I can see us holding hands

Walking on the beach, our toes in the sand

I can see us on the countryside

Sitting on the grass, laying side by side

You could be my baby, let me make you my lady

Girl, you amaze me

Ain't gotta do nothing crazy

See, all I want you to do is be my love

(So don't give away) My love

(So don't give away) My love

(So don't give away) Ain't another woman that can take your spot, my love

(So don't give away) My love

(So don't give away) My love

(So don't give away) Ain't another woman that can take your spot, my love

Ooooh, girl

My love

My love
