

Justin Timberlake, Selfish

If they saw what I saw
They would fall the way I fell
They don't know who you are
Baby, I would never tell
If they know what I know
They would never let you go
So guess what? I ain't ever lettin' you go

'Cause your lips were made for mine
And my heart would go flatline
If it wasn't beatin' for you all the time

Uh, so if I get jealous, I can't help it
I want every bit of you, I guess I'm selfish
It's bad for my mental, but I can't fight it
When you're out lookin' like you do
But you can't hide it, no

Put you in a frame, boo
Baby, who can blame you that your mama made you?
Makin' me insane, you cannot be explained, boo
You must be an angel

Every time my phone rings
I hope that it's you on the other side
I can tell you everything, everything that's on my mind
Don't want any other guys
Takin' my place, girl, 'cause I got too much pride
I know I may be wrong, but I don't wanna be right

'Cause your lips were made for mine
And my heart would go flatline
If it wasn't beatin' for you all the time

Uh, so if I get jealous, I can't help it
I want every bit of you, I guess I'm selfish
It's bad for my mental, but I can't fight it
When you're out lookin' like you do
But you can't hide it, no

Put you in a frame, boo
Baby, who can blame you that your mama made you?
Makin' me insane, you cannot be explained, boo
You must be an angel
Put you in a frame, boo
Baby, who can blame you that your mama made you?
Makin' me insane, you cannot be explained, boo
You must be an angel

All of my heart, tied to your heart
There for the whole world to see
You're the owner of my heart and all the stars
Babe, you've got such a hold on me

So if I get jealous, I can't help it
I want every bit of you, I guess I'm selfish (Guess I'm selfish)
It's bad for my mental, but I can't fight it
When you're out lookin' like you do
But you can't hide it, no

Put you in a frame, boo
Baby, who can blame you that your mama made you? (That your mama made you)
Makin' me insane, you cannot be explained, boo
You must be an angel (Must be an angel)

Put you in a frame, boo
Baby who can blame you? What your mama made you
Makin' me insane, you cannot be explained, boo
You must be an angel

Jealous, but I can't help it
I want every bit of you, I guess I'm selfish
