Justin Timberlake, Until The End Of Time Remix

(Justin:)
I Woke up this morning
And Heard the TV sayin' something
'Bout disaster in the world and
It made me wonder where I'm going

There's so much darkness in the world
But I see beauty left in you girl
And what you give me makes me know
That I'll be alright

(Chorus:)
Cause if your love was all I had
In this life
Girl that would be enough
Until the end of time
So rest your weary heart
And relax your mind
Cause I'm gonna love you girl
Until the end of time

(Hook:)
You've got me singing
Oh whoa, oh whoa, oh whoa yeah
Oh whoa, oh whoa, oh whoa yeah
Everybody sing
Oh whoa, oh whoa, oh whoa yeah
Everybody singing
Oh whoa, oh whoa, oh whoa yeah

(Beyonce:)
No if you're ever wondering
About the way I'm feeling
Well baby boy there ain't no question
Just to be around you is a blessing

Sick and tired of trying to save the world
I just want to spend my time being your girl
And what you give me
Let's me know that we'll be alright.

(Chorus:)
Cause if your love was all I had
In this life
Boy that would be enough
Until the end of time
So rest your weary heart
And relax your mind
Cause I'm gonna love you boy
Until the end of time

(Hook:)
You've got me singing
Oh whoa, oh whoa, oh whoa yeah
Oh whoa, oh whoa, oh whoa yeah
You Got me singing
Oh whoa,oh whoa, oh whoa yeah
Everybody singing
Oh whoa, oh whoa, oh whoa yeah
Everybody singing
Oh whoa, oh whoa, oh whoa yeah
