

# Justin Timberlake, What You Got (Oh No)

Mr. JT, now what you got for me  
Mr. JT, now what you got for me  
Mr. JT, now what you got for me  
Mr. JT, now what you got, what you got  
Mr. JT, now what you got for me  
Mr. JT, now what you got for me  
Mr. JT, now what you got for me  
Mr. JT, now what you got, what you got  
You're sneaky From the corner of my eye I saw you eyeing me  
I know that you're watching  
Tell me  
What would you do if I encouraged you  
To get next to me  
When nobody's watching  
The way your body keeps moving  
Is something that makes me weak  
Let's start our own little secrets  
For just you and me to keep.  
Too late to come on shy now  
You've already gone this far  
So baby make your move, take charge  
Show me what you got for me  
Oh no (girl)  
Is that your hands, (your hands), rubbing on me  
Oh no (girl)  
Is that your hands, (your hands), feeling on me  
Oh no (girl)  
Is that your hands, (your hands), rubbing on me  
If so (girl)  
If that's your hands, (your hands), then tell me what you got for me  
Baby  
I can tell that you want to do more  
Than just dance with me  
And I don't mind your flirting  
But honestly  
Do you really wanna spend the whole night  
Passing looks at me (looks at me)  
Come over here and get to working  
The way your body keeps moving  
Is something that makes me weak (makes me weak)  
Let's start our own little secrets (yeah)
