

Justin Timberlake, What You Got (Oh No)

Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got, what you got
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got, what you got
You're sneaky From the corner of my eye I saw you eyeing me
I know that you're watching
Tell me
What would you do if I encouraged you
To get next to me
When nobody's watching
The way your body keeps moving
Is something that makes me weak
Let's start our own little secrets
For just you and me to keep.
Too late to come on shy now
You've already gone this far
So baby make your move, take charge
Show me what you got for me
Oh no (girl)
Is that your hands, (your hands), rubbing on me
Oh no (girl)
Is that your hands, (your hands), feeling on me
Oh no (girl)
Is that your hands, (your hands), rubbing on me
If so (girl)
If that's your hands, (your hands), then tell me what you got for me
Baby
I can tell that you want to do more
Than just dance with me
And I don't mind your flirting
But honestly
Do you really wanna spend the whole night
Passing looks at me (looks at me)
Come over here and get to working
The way your body keeps moving
Is something that makes me weak (makes me weak)
Let's start our own little secrets (yeah)
For just you and me to keep (us to keep)
Too late to come on shy now
You've already gone this far
So baby make your move, take charge (ooh)
Show me what you got for me

Is that your hands, (your hands), rubbing on me
