

Justyna Steczkowska, WITCH-ER Tarohoro

Oh, mother nature
How you're rotting to the very core
A Body so ancient
You can see the writings on the wall

(Oooh, Jagadagadej) Don't fear the witcher
(Oooh, Jagadagadej) If you're a believer

Roads of faith
They will lead the way
To the open gates of love
Whispers say
We gon' make a change
Would you just believe in them
(say)

(Jarga drago wese trado istra wejar valve ladodeja)
Jarga drago wese trado istra wejar valve ladodeja

Oh, mother nature
Like a phoenix you will be reborn
Pure over tainted
It's the renaissance you can't avoid

(Oooh, Jagadagadej) Don't fear the witcher
(Oooh, Jagadagadej) If you're a believer

Roads of faith
They will lead the way
To the open gates of love
Whispers say
We gon' make a change
Would you just believe in them
(say)

Roads of faith
They will lead the way
To the open gates of love
Whispers say
We gon' make a change
Would you just believe in them
(say)

Aaa.... (Jarga drago wese trado istra wejar valve ladodeja)
Aaa.... (Jarga drago wese trado istra wejar)

Valve ladodeja

Jarga drago wese trado istra wejar valve ladodeja
Jarga drago wese trado istra wejar valve ladodeja

Aaa.

WITCH-ER Tarohoro to nowa piosenka Justyny Steczkowskiej. Utwór weźmie udział w polskich pr
