

# jxdn, Angels & Demons

Two face, two face, yeah  
Black white, left right, yeah  
Up down, all night, yeah  
Can't escape it ever  
Don't forget my name  
I don't feel the same  
On a trip, no train

And all these angels and demons  
Keep shouting and screaming  
I'm falling from Eden

So fuck me like a rockstar  
Dancing on a cop car  
Nothing in the world can stop me now  
Fucked up like a rockstar  
Ridin' in a cop car  
No one in the world can help me now

Everybody said that I'm falling  
Took another line I'm calling  
I'm so sick of the nonsense  
I'ma dive into the mosh pit  
I don't really think I'm the problem  
I don't really think it's a problem  
Me plus me is a problem  
One gun shot could solve 'em

Tell my friends I'm sorry though  
T-t-tell my sins to go

And all these angels and demons  
Keep shouting and screaming  
I'm falling from Eden

So fuck me like a rockstar  
Dancing on a cop car  
Nothing in the world can stop me now  
Fucked up like a rockstar  
Ridin' in a cop car  
No one in the world can help me now

And all these angels and demons  
Keep shouting and screaming  
I'm falling from Eden

So fuck me like a rockstar  
Dancing on a cop car  
Nothing in the world can stop me now  
Fucked up like a rockstar  
Ridin' in a cop car  
No one in the world can help me now

So fuck me like a rockstar  
Dancing on a cop car  
Nothing in the world can stop me now  
Fucked up like a rockstar  
Ridin' in a cop car  
No one in the world can help me now

Don't stop driving  
Tell 'em  
Rockstar  
Fuck me like a rockstar
