

K-Ci & JoJo, How Many Times (Will You Let Him

CHORUS

How many times you're gonna let him use you
You'd think that you would know by now
How could you let him treat you so bad
How many times will you let him break your heart

I heard he lied to you
I hear your love he abused
I don't say it isn't so
I see it in your eyes
It's something you can't hide

CHORUS

He gives you lonely nights
And he can hear you cry
And love you he denies
He's never gonna change
He just can't accept the blame

CHORUS

Girl dry your eys
Get up off your face
Don't be ashamed
Find someone else now
Someone who'll appreciate you
Always love you

CHORUS
(repeat 3x)
