

# K-Ci & JoJo, I Can't Find The Words

mmmmmm

mmmmmm

listen baby aa

listen

like a rainbow after the rain

like a cool summer rain

like a flower growing by the spring

in the middle of the desert

your my oasis

when I'm tired and thirsty yes you are

you fill me up till I get enough

your like dew drops on my face baby you gotta shake it

I just cant find the words to show you how much

I really love you more

there is no words to touch the thought of losing you

makes me wanna cry everydays a brand new day

like an early morning sunrise

oh baby your full of surprises

and if it ain't with you

I'm so glad God gave me you

and if I had to change one thing about you baby

I wouldn't change a thing

don't you know that I'd give my life to protect you

cause you brought me my dignity

I just can't find the words to show you how much

I really love you more

there is no words to touch the thought of losing you

makes me wanna cry

everydays a brand new day

oooo yeaaaaa a a

I,I,I,I just can't find the words to show you how much

I really love you more

there is no words to touch the thought of losing you

makes me wanna cry

everydays a brand new day

oooooo oooooo

dont ever wanna lose your love nooooo

heyyy hey heyyy

you you you you
