K-Ci & JoJo, I Can't Find The Words

mmmmmmm
listen baby aa
listen
like a rainbow after the rain
like a cool summer rain
like a flower growing by the spring
in the middle of the desert
your my oasis
when I'm tired and thirsty yes you are
you fill me up till I get enough
your like dew drops on my face baby you gotta shake it

I just cant find the words to show you how much I really love you more there is no words to touch the thought of losing you makes me wanna cry everydays a brand new day

like an early morning sunrise
oh baby your full of surprises
and if it ain't with you
I'm so glad God gave me you
and if I had to change one thing about you baby
I wouldn't change a thing
don't you know that I'd give my life to protect you
cause you brought me my dignity

I just can't find the words to show you how much I really love you more there is no words to touch the thought of losing you makes me wanna cry everydays a brand new day

oooo yeaaaaa a a I,I,I,I just can't find the words to show you how much I really love you more there is no words to touch the thought of losing you makes me wanna cry everydays a brand new day
