Set the world on fire  
Gonna break rules  
And hearts in twos  
Cause that's what the baddest do

Never going back

Diamonds on drip  
Cause I came to make a splash  
Gonna break rules  
And hearts in twos  
Cause that's what the baddest do

In the cut just like a razor  
Murder business, where my blazer?

If I don't got it I take what I want  
My circle small like a round of applause  
You know that I love the sound of applause  
You know I mean everything that I say  
When you see me coming get out of the way
