## Kaci Brown, The Waltz

The touch - The rush...oh [3x]

You turn around and make me wanna make you think I'm in to you An easy catch - the perfect guy with perfect lines - it's nothing new I guess I'll let you have a little taste cause I have nothing here to lose And if nothing's better than this then I guess that's better than nothing What cha think I'll do?

The more you play hard to get The more I think I could get in to you The way you dance and walk away I can't believe you're gettingme confused!

[chorus]
You make me feel so...
You make - you make - you make
You make me feel so...
Let's go - you know - take it slow - uh uh

You say don't worry baby I've got it all under control, and I'm like... Yeah right Casanova I'm gonna waltz right over you You play your petty games and I have to admit it's sorta kinda cute But it won't be enough to make me fall in love with a shallow guy like you

You're so naive if you believe I'd fall under your spell just cause you snap What's wrong with me could ya tell me please How did you ever manage to do that?

[chorus]

The touch - The rush...oh [4x]

[chorus 2x]

DUM DUM - DUM DUM DUM DUM DUM - DUM DUM DUM DUM DUM - DUM DUM DUM IT'S LIKE DUM DUM - DUM DUM DUM
