

Kaiser Chiefs, Falling Awake

That was then but this is now
What's really changed?
Black is black and white's still white
And gray is a waste

I don't mind, to my own time
And I see her again
Now I fall to her eyes
I'll see you on the way down

She's got me falling,
She's got me crawling,
She's got me falling,
Falling awake
/2x

Pick it, put it away
I'll never find it again
I was right to take you back
I see you at the hay stacks
I could see wild ones
Falling obsolete
In the dark, touching my chest
I see you on the way down

She's got me falling,
She's got me crawling,
She's got me falling,
Falling awake
/2x

I'm falling, I'm falling
I'm Falling awake
You got me Falling awake
I'm falling, I'm falling
I'm Falling awake
You got me Falling awake!

She's got me falling,
She's got me crawling,
She's got me falling,
Falling awake
