

Kaiser Chiefs, Flowers In The Rain

Woke up one morning half asleep
With all my blankets in a heap
And yellow roses scattered all around me

The time was still approaching
For I couldn't stand it any more
Some marigolds upon my eiderdown

I'm just sitting watching flowers in the rain
Feel the power of the rain
Making the garden grow

I'm just sitting watching flowers in the rain
Feel the power of the rain
Keeping me cool

So I lay upon my side
With all the windows open wide
Couldn't pressurize my head from speaking

Hoping not to make a sound
I pushed my bed into the grounds
In time to catch the sight that I was seeking

I'm just sitting watching flowers in the rain
Feel the power of the rain
Making the garden grow

I'm just sitting watching flowers in the rain
Feel the power of the rain
Keeping me cool

If this perfect pleasure has to be
Then this is how it has to be
If my pillow's getting wet I don't see that it matters much to me

I heard the flowers in the breeze
Make conversation with the trees
Relieved to leave reality behind me

With my commitments in a mess
My sleep has gone away to rest
In a world of fantasy you'll find me

I'm just sitting watching flowers in the rain
Feel the power of the rain
Making the garden grow

I'm just sitting watching flowers in the rain
Feel the power of the rain
Keeping me cool

Watching flowers in the rain
Flower in the rain
Power flowers in the rain
Flower power in the rain
