

# Kaiser Chiefs, How 2 Dance

All I ever do with you is fight, fight, fight  
That's no way for us to live a life, life, life  
Time we realised we're on the same side side  
Tonight I promise we gonna start a riot

I put away anxiety  
I just stopped thinking about it  
I just stopped thinking about it  
So come and take a ride with me  
There ain't no doubt about

Tonight I'm gonna teach you how to dance  
Dance, dance, dance  
Like no one ever taught you how to dance  
Tonight I'm gonna teach you how to dance

Gather up your thoughts and let them go, go, go  
You gotta get out and let them know, know, know  
Leave the negativity outside stage door  
Or you ain't gonna rock and roll no more

I put away anxiety  
I just stopped thinking about it  
I just stopped thinking about it  
So come and take a ride with me  
There ain't no doubt about

Tonight I'm gonna teach you how to dance  
Dance, dance, dance  
Like no one ever taught you how to dance  
Tonight I'm gonna teach you how to dance

Just slide there ain't no doubt about it  
I just stopped thinkin' about it  
There ain't no doubt about it

Tonight I'm gonna teach you how to dance  
Dance, dance, dance  
Like no one ever taught you how to dance  
Tonight I'm gonna teach you how to dance

Tonight I'm gonna teach you how to dance  
Dance, dance, dance  
Like no one ever taught you how to dance  
Tonight I'm gonna teach you how to dance
