Kaiser Chiefs, How 2 Dance

All I ever do with you is fight, fight, fight
That's no way for us to live a life, life, life
Time we realised we're on the same side side
Tonight I promise we gonna start a riot

I put away anxiety
I just stopped thinking about it
I just stopped thinking about it
So come and take a ride with me
There ain't no doubt about

Tonight I'm gonna teach you how to dance
Dance, dance, dance
Like no one ever taught you how to dance
Tonight I'm gonna teach you how to dance

Gather up your thoughts and let them go, go, go
You gotta get out and let them know, know, know
Leave the negativity outside stage door
Or you ain't gonna rock and roll no more

I put away anxiety
I just stopped thinking about it
I just stopped thinking about it
So come and take a ride with me
There ain't no doubt about

Tonight I'm gonna teach you how to dance
Dance, dance, dance
Like no one ever taught you how to dance
Tonight I'm gonna teach you how to dance

Just slide there ain't no doubt about it
I just stopped thinkin' about it
There ain't no doubt about it

Tonight I'm gonna teach you how to dance
Dance, dance, dance
Like no one ever taught you how to dance
Tonight I'm gonna teach you how to dance

Tonight I'm gonna teach you how to dance
Dance, dance, dance
Like no one ever taught you how to dance
Tonight I'm gonna teach you how to dance
