

Kaiser Chiefs, It Ain't Easy

It's not easy, but I think you'll agree,
That it's worth it, if you're coming with me
I take you everywhere, I take you for free
You pay me back, when I'm out at sea
I've got high hopes and were going straght,
Straight back where we should have been last year
Walk this way and I'll put you on top,
Top of what? You know who can say?

Ooh ooh ooahaah ooh
Ooh ooh ooahaah ooh
Ooh ooh ooahaah ooh
Ooh ooh ooahaah ooh

It's not easy, but I think you'll agree,
That it's worth it, if you're coming with me
