

Kaiser Chiefs, Tomato In The Rain

Like a tomato in the rain
I've got that feeling again
Like a greyhound in a race
I've got a rabbit to chase

Roland and me
know what's going down
We got the remedy
for what's going around

Like a beetle on its back
I've got to get back on track
Or a police man on the take
weighted down in a lake

If the wheel comes off your cart
Hammer in a nail or two
Before it falls apart
Keep adding more nails and glue

Yes I do!
I know about you
Shall I come home?
(x2)

I've got that feeling again
(x2)

Roland rat and me
know what's going down
We got our memories
it all comes back around

Yes I do!
I know about you
Shall I come home?
(x2)

home...
home...
home.
