

Kaiser Chiefs, What Did I Ever Give You?

Head down, keep your head down
Keep your rent down over time
Hold tight, to your red stripe
Why do we fight every time?
I wish that you could see me in the day
I hope that you'll remember me that way

Nightclub, marlboro light stub
stuck to my gum all the time

I treat you
like you're see-through
I don't mean to
everytime

I wish that you could see me in the day
I hope that you'll remember me that way

What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth?

Disgraced
back to my place
I'm a complete waste
of your time

I'm asleep
before the first sheep
Until the last bleep
of all time

I wish that you could see me in the day
I hope that you'll remember me that way

What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth

What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth

What did I ever give you
When you wanted me to
All i gave you was grief
And a look of disdain
What did i ever give you
When you wanted me to

All i gave you was grief
Are you sick to your teeth
What did i ever give you..
