

# Kaize Adams, Shoulda Left Me

## Verse 1

You loved me in despite  
Despite of all my wrong  
And now its just too much  
To much for me to hide  
The feeligs that I have  
For the joy of my heart  
A second chance you gave  
To me a brand new start

## Chorus

Shoulda left me  
Long time ago  
You didn't, restartin'  
My life  
It's over now  
I'm ready to move on

## Verse 2

The changes  
I've been through  
Been through it all  
With you  
Caught up in the mess  
Of this cruel old world  
I believed and stayed  
Steadfast

And you wiped the tears  
Away  
You took me by the hand  
Showed me the master plan

## Vamp

Turned around  
You still were there  
Took me out of much despair  
You kept me, forgave me  
Ready to move on

The solid rock  
On which I stand  
Gave strength  
To the innerman  
You kept me, forgave me  
Ready to move on

La, la, la  
la, la, la, la ,la  
La, la, la  
la, la, la, la, la, la

Shoulda left me  
Long time ago
