

# Kajagoogoo, Turn Your Back on Me (Flipped Disc)

Turn your back on me  
yeah  
turn your back on me  
yeah.

Loved you like no other  
I loved you like a brother.  
What do I discover? I know I won't recover.  
I can't help myself  
I can't help myself

Loved you like no other  
I know I won't recover.  
Turn your back on me  
yeah

Now you turn your back on me  
turn your back on me now

Oh  
turn your back on me  
now  
turn your back on me  
yeah

Now you turn your back on me  
your back on me  
your back on me

Now you turn your back on me.  
Much more than I ought to  
I loved you like a daughter.  
Got me in deep water  
and now I got to face the torture.  
I can't help myself  
I can't help myself

Much more than I ought to  
I loved you like a daughter.  
Turn your back on me  
yeah

...  
Turn your back on me  
yeah

...  
Much more than I ought to  
I loved you like a daughter

...  
Turn your back on me  
yeah

...  
Oh  
you turn your back on me  
turn your back on me  
little girl

Now you turn your back on me  
...
