

Kalan Porter, Long Train Runnin'(Doobie Brothers)

Down around the corner
Half a mile from here
You see them long trains runnin'
And you watch them disappear

Without love
Where would you be right now
Without love

You know I saw Mrs.Lucy
Down around the tracks
She lost her home
And her family
And she won't be coming back

Without love
Where would you be right now
Without love

Well,The Illinois Central
And The Southern Cenrtal Freight
You gotta keep on pushin,Mama
'Cause you know thier runnin' late

Without love
Where would you be right now
Nananana
Without love

Well the pistons keep on churnnin'
And the wheels fo round and round
And the steel rails are cold and hard
And the mountains they go down

Without love
Where would you be now
Without love
Whoa
Without love
Ooh Where would you be now

Ohh, You gotta get it baby baby
Won't you move it down
Won't you move it down
Baby,Baby,Baby,Baby
Won't you move it down

When the big train run
With the train a movin' on
Gotta keep on Movin'
Gotta keep on movin'
Yaw!
Without love
