

# Kaleen, We Will Rave (Austria - piosenka na Euro)

Ice running through my veins  
You just did it again  
Go, 'cause I can't be your friend  
I'm cold, but this is not the end

So I go, go, go  
Where them broken-hearted go  
No one knows a thing 'bout my heart and soul  
I go-o-o  
Wanna dance it off alone  
I won't let it show  
They will never know

When the darkness hits, and we can't be saved  
We ram-di-dam-dam-dam  
We will rave  
When our hearts are burning, we feel no pain  
We ram-di-dam-dam-dam  
We will rave

We ram-di-dam-dam-dam  
We ram-di-dam-dam-dam (We will rave)  
We ram-di-dam-dam-dam (We will rave)  
(We will rave)  
(Rave, rave ra-a-a-a-a)

We will rave

See only silhouettes  
I just wanna forget  
About everything we said  
And the demons in my head

So I go, go, go  
Where them broken-hearted go  
No one knows a thing 'bout my heart and soul  
I go-o-o  
Wanna dance it off alone  
I won't let it show  
They will never know

When the darkness hits, and we can't be saved  
We ram-di-dam-dam-dam  
We will rave  
When our hearts are burning, we feel no pain  
We ram-di-dam-dam-dam  
We will rave  
We ram-di-dam-dam-dam (We will rave)

We will rave  
We will rave

(Rave, rave, rave)  
We will rave  
(Rave, rave, rave)  
We will rave

When the darkness hits, and we can't be saved (Can't be saved)  
We ram-di-dam-dam-dam  
We will rave  
When our hearts are burning, we feel no pain  
We ram-di-dam-dam-dam  
We will rave (We will)

We ram-di-dam-dam-dam  
We will rave (We will)  
We ram-di-dam-dam-dam  
We will rave (Oh-oooh)  
We ram-di-dam-dam-dam  
We will rave
