

Kaleena, Confession (Ladies Andwer)

now i gotta tell him

chorus:

these are my confession
just when i thought i could say all i could say
i cheated on ya now i got one on a way
these are my confession
man im blown and i dont know what to do
i guess i tell the truth in my confession
and if im gonna tell it then i gotta tell it all
damn near cried when i made that phone call
man im blown and i dont know what to do
but to tell the truth in my confession

verse 1:

now this is gonna be the hardest thing i think ever had to do
to come out of my mouth to tell you that im cheating on you
with this brother that i met and now im creepin wit (creepin wit)
got me three months pregnant and now im keepin it
first thing that came to mind was you
second thing that i just don't wanna believe that this is true
third thing is that i gotta give the nerve to say to you
that i've done wrong
and i deserve to be alone

chorus:

these are my confession
just when i thought i could say all i could say
i cheated on ya now i got one on a way
these are my confession
man im blown and i dont know what to do
i guess i tell the truth in my confession
and if im gonna tell it then i gotta tell it all
damn near cried when i made that phone call
man im blown and i dont know what to do
but to tell the truth in my confession

verse 2:

oOo, seems now im sittin here stuck on stupid, tryna figure out
when, what, and how ima let this come out of my mouth
see it aint gonna be easy
but i need to stop waistin time
and tell the truth maybe we can handle it (handle it)
im headed to his place
wishin that i could erase
i gotta be a woman and tell him this to his face
(what am i ta do if he dont wanna stay with me)
one second baby, just hear me

chorus:

these are my confession
just when i thought i could say all i could say
i cheated on ya now i got one on a way
these are my confession
man im blown and i dont know what to do
i guess i tell the truth in my confession
and if im gonna tell it then i gotta tell it all
damn near cried when i made that phone call
man im blown and i dont know what to do
but to tell the truth in my confession

saying:

now this got ta be the hardest thing i ever done
in my 21 years of breathin

is tell the man that i really really love
that im pregnant by a man that i hardly even know
now, im not askin to accept the fact that i've cheated
but forgive me, and respect that im a woman enough to tell you

chorus:

these are my confession
just when i thought i could say all i could say
i cheated on ya now i got one on a way
these are my confession
man im blown and i dont know what to do
i guess i tell the truth in my confession
and if im gonna tell it then i gotta tell it all
damn near cried when i made that phone call
man im blown and i dont know what to do
but to tell the truth in my confession
