

Kali Uchis, fue mejor feat. SZA

These worldly possessions
I don't need none of them
Tú no me mereces
No, no, no, no!
Someone could come love me
If somebody knew me
Tú no me conoces
Ghost, ghost
Take a little sip,
Take a little puff
Don't want to think,
Don't want to talk,
No!
Is it enough, is it too much,
I'm not dead,
So I'm not done
