

# Kali Uchis, I Wish you Roses

Ooh, never thought I would be without you  
I wish you love, I wish you well  
I wish you roses while you can still smell them  
With pretty flowers can come the bee sting (ooh, never thought I would be without you)  
But I wish you well, I wish you well  
I wish you roses while you can still smell them (ooh)  
I was a rose in the garden of weeds  
My petals are soft and silky as my sheets  
So do not be afraid to get pricked by the thorns  
While I'm here, I'm someone to honor  
When I'm gone, I'm someone to mourn  
But if you want my heart  
Should someday drift apart  
I'll make sure to give you these blessings  
Because they're all I've got  
My love's deep as the ocean  
Don't you drown on me  
Just know any love I gave you  
Is forever yours to keep  
Ooh, I wish you roses and roses and roses and roses and roses  
I wish you roses, yeah, roses, roses  
Ooh, I wish you roses and roses and roses and roses and roses  
I wish you roses, yeah, roses, roses  
Ooh, never thought I would be without you  
I wish you love, I wish you well  
I wish you roses while you can still smell them  
With pretty flowers can come the bee sting (ooh, never thought I would be without you)  
But I wish you well, I wish you well  
I wish you roses while you can still smell them (ooh)  
Ooh, I wish you roses and roses and roses and roses and roses (I wish you roses)  
I wish you roses, yeah, roses, roses (I wish you roses)  
Ooh, I wish you roses and roses and roses and roses and roses (roses and roses and roses)  
I wish you roses, yeah, roses, roses  
You're gonna want me back  
You're gonna want me back, you're gonna—  
You know I can't do that  
You know I can't do that, you know it
