

# Kamelot, Alexandria

far across the sea  
a piece of history  
in Egypt's land  
I'll build a city  
beautiful and strong  
beyond belief  
a new metropolis  
to redefine my destiny

rise and shine Alexandria  
under protection of my name  
pure, divine, and imperial

a place to watch the stars  
the center of the earth  
I see it all...my worlds converging  
and to guide a king's armada through the night  
I raise the seventh wonder to delight Poseidon

rise and shine Alexandria  
under protection of my name  
pure, divine, and imperial

make me the city of a living angel  
casting shades all over Babylon  
hailing me, a holy son of god  
as a monument of time  
and the goals that I achieved  
make a sculpture of my mind
