

# Kamelot, Helena's Theme

(HELENA:)

I remember a song  
From long ago  
Some of the pieces  
They remind me of you  
How could I know  
You were to leave me  
I thought that I was that melody  
Oh so wrong  
I'm but a whisper tonight

And if this is goodbye  
I will leave  
But I'll love you  
Until the end

(RIVER SPIRIT:)

If the grace of God is real  
And the word of Christ can heal  
Bring their souls to heaven's light  
Bless the unborn child tonight
