

# Kamelot, Moonlight

I have never craved the system's sympathy  
I get restless over pity smiles  
Some precaution wouldn't harm my history  
If I had the will to wait a little while

You cut the silence like a knife  
You know I can't repent for all

Moonlight falling over me  
Sail on where the shadows hide  
Moonlight crawling down on me  
Just like you could not compete with my pride

Compensation for a miscondacted life  
Is it way too much to ask  
Hard to wake up  
With your heart and soul deprived  
When the morning comes  
The second to your last

You cut the silence like a knife  
At the edge of my last defenses  
You cut the silence like a knife  
You know I won't repent for all

Moonlight falling over me  
Sail on where the shadows hide  
Moonlight crawling down on me  
Just like you could not compete with my pride

Shine on silver from the sky into the night  
Gaia shivers and I need your leading light

Moonlight falling over me  
Sail on where the shadows hide  
Moonlight crawling down on me  
Just like you could not compete with my pride
