

# Kamelot, Until Kingdom Come

in the black of the night she appears  
I can see that she's trying  
to relocate the source of my fears  
I've been searching her high and low  
in this dream she will show me the door  
to a new revelation  
and I know that I've seen her before  
that she'll bring me salvation  
I remember when she was still alive  
always there by my side  
every day is a fight to survive  
every minute a shattered memory  
like the sun shining down on me  
like the breeze on the ocean  
you're the path of my destiny  
I know you will follow me until Kingdom Come  
when I watch from the tower at night  
into fading horizons  
I can see her shade in the twilight  
dressed in silver she's dancing  
I remember as if it was today  
always there by my side  
you are reason, and relief to my pain  
and one day we will reunite  
like the sun shining down on me  
like the breeze on the ocean  
you're the path of my destiny  
I know you will follow me until Kingdom Come  
like the sun shining down on me  
like the breeze on the ocean  
you're the path of my destiny  
I'll follow my heart until Kingdom Come
