

# Kamelot, Veil of Elysium

Hear my promise of Blistering Light  
Sowing rose of obsidian  
My dear, I promise  
Death comes to all  
In a heartbeat only silence

Let's play with the fire  
That runs in our veins  
Trust in the might of a miracle  
Now winter has come  
and I'll stand in the snow  
I don't feel the cold  
And it's all that I will ever need to believe

One day I know we will meet again  
In a shade of a life to die for  
Watching the world through the eyes of a child in Elysium  
Will I know You then?

Now bring down your fortress and swallow your pride  
Don't break in your moments of ignorance  
Existence will capture a spark of life  
Just a fragment  
But it's all that I will ever need to revive

One day I know we will meet again  
In a shade of a life to die for  
Watching the world through the eyes of a child in Elysium

Will I find you there  
in that darkness of the shadow that comes over all  
Dear friend, will I know you then?  
Will I know you then at all?

One day we'll meet  
In the shade of a life to die for  
Watching the world through the eyes of a child  
Will I know you then?

One day I know we will meet again  
In a shade of a life to die for  
Watching the world through the eyes of a child in Elysium  
Will I know You then?  
Will I know You then?
