

# Kamil Bednarek, Think About Tomorrow

Think about tomorrow  
And then my feelings fighting for another days  
Forget about your sorrow  
Open up your eyes

Once again:

Think about tomorrow  
And then my feelings fighting for another days  
Forget about your sorrow  
Open up your eyes  
One again

Left, right, left right - that soldiers march?  
?  
Left, right, left right ? be your provider  
To pull the trigger
