

# Kan Mikami, Lesson 8 Watch

Blessed  
Happy  
A perfect sunday  
Someone trembling with fear

A newborn baby in a sunny park  
An old couple walking side by side

A smiling face  
Rebuffs  
Each and every word

That in itself  
That alone  
A tragedy to freeze the blood

Did you see the TV screen?  
Did you see this mornings' paper?

Gorgeous  
Free from care  
A night when everyone is your friend  
Someone trembling with fear

A table overflowing with fruit  
Having friends you can hug

Alcohol rebuffs intuition  
Trying to cling on to an inadequate love

That in itself  
That alone  
A tragedy to freeze the blood

Did you see the TV screen?  
Did you see this mornings' paper?
