Kanye West, Bring Me Down ft. Brandy

[Chorus: Brandy]
I always knew that one day
They'd try to bring me down
Way down, way down
One day, they'd try to bring me down
Always knew that one day
They'd try to bring me down
Way down
They'd try to bring me down

[Verse: Kanye West] We goin' to Mass today, we have to pray Besides what the pastor say? I have to say, since Pac passed away Most you rappers don't even deserve a track from me You see, if you ever wanted to ever be anything There'd always be somebody that shoot down any dream There'll always be haters, that's the way it is Hater niggas marry hater bitches and have hater kids But they gon' have to take my life 'fore they take my drive 'Cause when I was barely livin', that's what kept me alive Just the thought that maybe it could be better than what we at at this time Make it out of this grind, 'fore I'm out of my mind And get some leeway on the "He say, she say" Your girl don't like me, how long has she been gay? Spanish girls say, " Yo, no hablo inglés" And everybody want to run to me for their sing-le It's funny how these wack niggas need my help Wasn't around when I couldn't feed myself Dawg, if I was you, I wouldn't feel myself Dawg, if I was you, I'd kill myself Made a mil' myself and I'm still myself And I'ma look in the mirror if I need some help Now I'll speak from the heart, y'all all frontin' Everybody feel a way about K but at least y'all feel something

[Bridge: Brandy]
What you calling?
I let all in for getting what some get will get ya
What kind of dream we found?
See, I'm often catching crosswinds
Forgetting where the hell I met you
And try to bring me down

[Chorus: Brandy]
I always knew that one day
They'd try to bring me down
Way down, way down
One day, they'd tried to bring me down
Always knew that one day
They'd try to bring me down
Way down
They'd try to bring me down
