

Kanye West, God Level

Provide a new coffin
You don't seek murder like this this often

God level
God level

Oh, father!

Might as well make a new casket

God level
God level
God level

You see sharks in the water
Then they try to do nothin' but put cocks in your daughter
Don't say nothin' 'bout what ye said
Don't move, mothafucka, play dead
Yeah, we cool, mothafucka, yeah, yeah
Yeah, yeah
