[Consequence]

Uhh, uhh, yo, yo I been pourin out some liquor for the fact that my pal's gone And tryin to help his momma with the fact that her child gone And since we used to bubble like a tub full of Calgon Guess it's only right that I should help her from now on But since they got a foul on, what could gone wrong Now they askin Cons, how long has this gone on And maybe all this money mighta gone to my head Cause they got me thinkin money mighta gone to the feds So I ain't goin to the dread, but he'll go on up to bed And when I came the next mornin he was gone with my bread And with that bein said, I had gone on my instincts And gone to the spots where they go to get mixed drinks But lookin back now should gone to the crib And rented " Gone With the Wind, " cause I'da gone about 10 But I had gone with my friend, and we had gone to the bar And heard a nigga talkin shit so I had gone to the car And now the judge is tellin me that I had gone too far And now we gone for 20 years, doin time behind bars And since I gone to a cell for some petty crimes I guess I gone to the well one too many times, cause I'm gone
