

# Kanye West, Jesus Walks (Remix)

(feat. Ma\$e)

Ready!, Huh.

Yeah! um

Jesus, Jesus talk to me

Jesus, Jesus talk with me

Jesus, Jesus,

Jesus, Jesus,

Come on!

(Jesus Walks)

God show me the way now the devil cant break me down

(Jesus walk with me)

[Kanye]

Between the girls and the jewelry

The devil trying to lure me

And view of me

(Jesus walks with me)

My pastor shaking his head

he aint sure of me

But surely

(Jesus walks with me)

Then he ask

do you say your prayers at least 2 a week?

I aint talking to God I know what Ive been doing G.

Do you know how I be embarrassed?

my prayers sound like Ben Stiller on Meet the Parents

and I aint good with that give us our day,

this ladies just trying to give us our free

Im trying to give us, us pay,

now you know how them strippers was,

We was all ghetto-fabulous all at the rooms at the Cyberus,

from this Jacuzzi wild can you cleanse us?

Can you please unfog my Cardierre lenses?

God sends signs sometimes only in glimpses for me I almost died

falling asleep in them Benzes

Theirs something about this beat that get me tranquilized

and when I play it at my shows I feel sanctified

and HE gives me direction when I cant decide

He is alive!, how can you tell me he aint when I said

(Jesus Walks)

God show me the way now the devil cant break me down

(Jesus Walks)

The only thing I pray is that my feet dont fail me now

(Jesus Walks)

And Now I think theres something I can say now

that will right my wrongs

(Jesus Walks)

I finally talked to God and I aint afraid cause his love is so strong

[Ma\$e]

Before you take me name, take my fame,

While you at it take my shame, take my flaws, take my blame

Feel my dirt, conceal my hurt, See my bruise,

and this you walk in my shoes

You werent there when I was in deep thought.

When I had two choice, kill him or either leave New York

But Im a truth teller and thats why I say what Im sayin

And the only thing the radio playin is cause you be payin

It aint about who really hot no more

Beats would knock no more

so who cares who flock no more

I realize that most labels pay you for lies

And all that blood do is gain disguise  
That youre favorite artist shhhh  
I know you hear that huh you wanna fear that what  
Your worst dream is that you was gonna hear that  
Con the rap this like John the Baptist  
prepare the way for what I came to say today  
They deceived us, had us thinking Jesus really didnt need us  
When he loved up all you  
He loved them boys in hallway up in Broadway  
even those who meet him for dope every 4 days  
To the strippers in broad day up in Norway  
To the Detroit player Gators in Moreys  
With me its not just bars and music I walk with God  
I have the scares to prove it,ugh

(Jesus Walks)  
God show me the way now the devil cant break me down  
(Jesus Walks)  
The only thing that I pray is that my feet dont fail me now  
(Jesus Walks)  
Everybody out there just lift your hands  
right now and say this with me:

Father I thank you, for forgiving me, for everything I ever done,  
for Jesus walking with me, for dying for me, raising for me,  
and all my sins have been forgiven, Im a changed man,  
Im healed Im delivered,Im rich and Its all because of him  
Now Walk with me, Walk with me, Walk Walk Walk with me  
Walk with me
