

Kanye West, Lost in the World

I'm up in the woods, I'm down on my mind
I'm building a sill to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a sill to slow down the time
'm up in the woods, I'm down on my mind
I'm building a sill to slow down the time
[Sample z utworu "Woods" Justina Vernona aka Bon Iver]

I'm lost in the World, I'm down on my mind
I'm new in the city, and I'm down for the night
Down for the night
Said she's down for the night
