

# Kanye West, Me Against The Music Remix

All my people in the crowd  
Grab a partner, take it down!

It's me against the music  
It's just me  
And me  
Yeah  
C'mon  
Hoah  
Hey Britney  
Are you ready?  
Uh huh  
Are you?  
Uh

And no one cares  
Its whippin my hair, its pullin my waist  
To hell with stares  
The sweat is drippin all over my face  
And no ones there  
Im the only one dancin up in this place  
Tonight Im here  
Feel the beat of the drum, gotta get with that bass

Im up against the speaker, tryin to take on the music  
Its like a competition, me against the beat  
I wanna get in a zone, I wanna get in a zone (I wanna get in a zone)  
If you really wanna battle, saddle up and get your rhythm  
Tryin to hit it, chic-a-taa  
In a minute Im a take a you on, Im a take a you on (I'm a take a you on)  
Hey, hey, hey

[Chorus]  
All my people on the floor  
Let me see you dance  
Let me see ya  
All my people wantin more  
Let me see you dance  
I wanna see ya  
All my people round and round  
Let me see you dance  
Let me see ya  
All my people in the crowd  
Let me see you dance  
I wanna see ya

So how would you like a friendly competition?  
Lets take on the song (Let's take on the song, let's take on the song)  
Its you and me baby, were the music  
Time to party all night long (All night long, all night long)

Hoah, huh, yeah, let's go!

Were almost there  
Im feelin it bad and I cant explain  
My soul is bare  
My hips are movin at a rapid pace  
Baby feel it burn  
From the tip of my toes, runnin through my veins  
And nows your turn  
Let me see what you got, dont hesitate

Im up against the speaker, tryin to take on the music  
Its like a competition, me against the beat

I wanna get in a zone, I wanna get in a zone (I wanna get in a zone)  
If you really wanna battle, saddle up and get your rhythm  
Tryin to hit it, chic-a-taa  
In a minute Im a take a you on, Im a take a you on (I'm a take a you on)  
Hey, hey, hey

[Repeat Chorus]

Get on the floor, baby lose control  
Just work your body and let it go (Let it go)  
If you wanna party, just grab somebody
