I'ma make sure these light skinned niggaz  
Never ever never come back in style  
Told 'em I finished school, and I started my own business  
They say, 'Oh you graduated?'  
No, I decided I was finished  
Chasin' y'all dreams and what you've got planned  
Now I spit it so hot you got tanned  
Back to school and I hate it there, I hate it there  
Everything I want I gotta wait a year, I wait a year  
This nigga graduated at the top of my class..  
I went to Cheesecake, he was a motherfucking waiter there
